

bronte unit

*Internal shelves are adjustable to two heights and have a weight load of 15kg per shelf.

*Small televisions up to 37" can sit inside the larger section if desired (guide only, check your TV's dimensions).

*Holes for cables can be drilled on delivery as desired.

The Bronte is a simple and sophisticated bookcase that is designed to integrate media storage, copious general storage and display areas within a small footprint. Available in 2 heights, the Bronte is the ultimate wall unit.
